To the Board of Directors of the Robert Nelson Foundation,

Thank you for supporting Artists Creating Together. Each year, we serve over 6,000 individuals in our community, and we could not do it without your help. Your gift will help support ACT's mission to empower individuals with disabilities to learn, grow, and celebrate through the arts, especially in our efforts to offer programs for young transition adults with disabilities.

At ACT, we believe that art is for everyone, and there should be no barriers to the individuals with disabilities that are part of our community. We celebrate creativity and diverse ability. Our student artists are creating more than art: they are growing in confidence, finding a home in our community, making friends, and gaining independence.

Supporters like you make these opportunities possible and help us create a more inclusive community. Thank you for supporting all arts and all abilities.

Thank you,
