Dear Robert Nelson Foundation Board Members:

It is my honor to present this grant application from the City of Grandville regarding the establishment of a Robert Nelson Disability Support Center at the Grandville branch of the Kent District Library (KDL) on behalf of the 16,000 residents of our City and also on behalf of the over 600,000 residents of Kent County.

I fully support the establishment of a first-of-its-kind resource center housed in our public library facility and targeting the unique needs of those persons and families in the community facing disability challenges. Our community is designating substantial funding, both public and private, to enhancing our facility and making it an even more significant center of resources and information accessible. This investment will allow us to fully serve and support such a Center and to provide the environment for it to grow, prosper and serve as a model for other libraries.

If I can be of any assistance on this application, please contact me at (616) 530-4980 or maass@cityofgrandville.com.

Sincerely,

Steve Maas, Mayor
