Dear Robert Nelson Foundation Board Members:

The City of Grandville is excited to announce the Grandville Branch Library expansion project has broken ground. This begins a period of construction that will conclude with the opening of our new community resource by the end of 2021.

The Library could not do what it does without the support of a caring community and we want to again specifically say **THANK YOU** to the Robert Nelson Foundation for its generous gift of \$25,000 in support of the Robert Nelson Disability Support Center, included within the library project. We look forward to offering support and resources to the entire community, as we know there is great need.

Sincerely,

Kenneth D. Krombeen
City Manager
