The Robert Nelson Foundation
Attn: Board of Directors
PO Box 761398
Los Angeles, CA 90076-1398

Dear Board of Directors:

Thank you for the Robert Nelson Foundation's gift to establish the Robert Nelson Foundation Career Exploration Fund and the Robert Nelson Foundation Scholarship at Grand Valley State University. The creation of these funds are a special way to honor the legacy of Robert Nelson and his connection to West Michigan.

In this time of unprecedented challenges, your generosity means a great deal to me and our entire Grand Valley community. The career exploration fund and the scholarship will provide tremendous support to students majoring in multimedia journalism, especially those interested in broadcasting. Because of your gift, these students will have access to experiential learning opportunities that they otherwise would not have had.

I want to thank you again for your confidence in Grand Valley and for investing in our students.

Sincerely,

Philomena V. Mantella
President
