Dear Robert Nelson Foundation Board of Directors,

On behalf of the 38,000 children and youth we serve in the California foster care system, we would like to extend our sincerest gratitude for your generous donation to Children's Law Center of California. With the onset of COVID-19 we have seen our young clients face incredible challenges, including homelessness, food insecurity, and more.

In addition to providing advocacy services to our young clients, we strive to help our clients reach their full potential mentally, physically, and emotionally. Thanks to generous donors like you, children will go to bed with full stomachs, have clean clothing to wear, and will be able to focus on school knowing that homelessness is no longer imminent.

We cannot thank you enough for your support. We are grateful to have the Robert Nelson Foundation as part of our village!

Sincerely,
