To The Board of Directors at The Robert Nelson Foundation,

Your kindness and compassion for children and families is heartwarming. Thank you for your gift to Helen DeVos Children's Hospital's (HDVCH) Child Life team.

Because of you, our child life team will have the resources necessary to provide a care package to each patient and family as they are discharged from HDVCH. Each of these gifts will be a meaningful way to end their stay in the big blue building and remind them that they have the support of the team at HDVCH even after they return home and regain normalcy in their life.

On behalf of Amy Davis and the entire child life team at Helen DeVos Children's Hospital, thank you from the bottom of our hearts for your generosity.

With gratitude,
