

03/16/2022

We are incredibly grateful to the Robert Nelson Foundation for this award. The grant we received will help further our mission in supporting active military, veterans, and their families through the following:

- **Housing Assistance** – We provide funds for security deposit, down payment, first month's rent, pet deposit, moving/cleaning cost, and rental assistance.
- **Hotel Voucher** - If a veteran is homeless or in transition to permanent housing, we work with the homeless task force to provide a **seven**-day hotel stay.
- **Car Repair and/or vehicle registration** - Maintaining the ability to commute safely to and from work ensures that the veteran will be able provide for their family.
- **Homeless Package** - Assistance includes backpack, cell phone and three month of service, three months of storage, UPS mailbox and a gym membership.
- **Gas/Food cards**, Bus passes and Utility assistance

Thank you again.
